

Equipping businesses with cooler/freezer solutions.

Whether your need is reconditioning, relining or replacement, Provisioned Services now partners with ICS, a proven leader for 55 years in the national walk-in industry.

We're experts in all kinds of walk-in cooler remodels, retrofits and restoration.

- Bolt-up door installations.
- Relining—installing replacement walls.
- Conversion of walk-in coolers to freezer/cooler units.
- Wall replacements.
- Floor replacements.
- Pre-installation walk-in inspection included.

We're a **responsive, trustworthy, informed** global project management firm serving the retail and restaurant environments. Our project management team will answer your call 24 hours a day, every day of the year to deliver what you need, when you need it.

Ring the bell.
